

Jigsaw knowledge and skills progression: Celebrating Difference Ages 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the **spiral** knowledge and skills progression within the planned Celebrating Difference Puzzle (unit of work) for this age group, includes some of the key vocabulary and contains suggestions for Family Learning.

Please ask your child's school for details of any adaptations they have made to the programme in line with their school policy as some of the content and vocabulary may have been changed, or be taught in a different year group. This may be especially true if this is their first year of using Jigsaw PSHE.

CD	Knowledge	Social and Emotional Skills	Questions for Family Learning
Ages 3-5	<ul style="list-style-type: none"> • Know what being proud means and that people can be proud of different things • Know that people can be good at different things • Know what being unique means • Know that families can be different • Know that people have different homes and why they are important to them • Know different ways of making friends • Know different ways to stand up for myself • Know the names of some emotions such as happy, sad, frightened, angry • Know that they don't have to be 'the same as' to be a friend • Know why having friends is important • Know some qualities of a positive friendship 	<ul style="list-style-type: none"> • Identify feelings associated with being proud • Identify things they are good at • Be able to vocalise success for themselves and about others successes • Identify some ways they can be different and the same as others • Recognise similarities and differences between their family and other families • Identify and use skills to make a friend • Identify and use skills to stand up for themselves • Recognise emotions when they or someone else is upset, frightened or angry 	<ul style="list-style-type: none"> • Can you say how you are different from a friend? • Can you say how you are the same as a friend? • What makes a family? • What makes you proud? • What are you good at doing? • Are all families the same? • What can you do to make a friend? • How can you tell when someone is feeling sad, angry or upset? • If someone is making you feel sad or upset what can you do about it? • Shall we share a Calm Me time?
	<p>In this Puzzle (unit) children are encouraged to think about things that they are good at whilst understanding that everyone is good at different things. They talk about being different and how that makes everyone special but also recognising that we are the same in some ways. The children talk about their homes and are asked to explain why it is special to them. They talk about friendship and how to be a kind friend and how to stand up for themselves if someone says or does something unkind to them.</p>		
	<p>New key vocabulary that may be introduced: Different, Special, Proud, Friends, Kind, Same, Similar, Happy, Sad, Frightened, Angry, Family, Unique</p>

CD	Knowledge	Social and Emotional Skills	Questions for Family Learning
Ages 7-8	<ul style="list-style-type: none">• Know why families are important• Know that everybody's family is different• Know that sometimes family members don't get along and some reasons for this• Know that conflict is a normal part of relationships• Know what it means to be a witness to bullying and that a witness can make the situation worse or better by what they do• Know that some words are used in hurtful ways and that this can have consequences	<ul style="list-style-type: none">• Be able to show appreciation for their families, parents and carers• Use the 'Solve it together' technique to calm and resolve conflicts with friends and family• Empathise with people who are bullied• Employ skills to support someone who is bullied• Be able to 'problem-solve' a bullying situation accessing appropriate support if necessary• Be able to recognise, accept and give compliments• Recognise feelings associated with receiving a compliment	<ul style="list-style-type: none">• What is the 'Solve it together' technique? How can it help solve a disagreement between two people?• What is a bystander in a bullying situation? (A bystander is a witness not directly involved).• How could a bystander make a bullying situation worse or better?• What types of bullying do you know about?• Where can someone get help if they were being bullied or witnessed bullying?• How does it feel to give and receive a compliment?• Can you explain how Calm Me time makes you feel?
	In this Puzzle (unit) the class learn about families, that they are all different and that sometimes they fall out with each other. The children talk about techniques to calm themselves down and discuss a technique called 'solve it together.' The children revisit the topic of bullying and talk about being a witness (bystander), they talk about how a witness has choices and how these choices can affect the bullying that is taking place. The children also talk about using problem-solving techniques in bullying situations. They talk about name-calling and choosing not to use hurtful words. They also talk about giving and receiving compliments and the feelings associated with this.		
	New key vocabulary that may be introduced: Family, Loving, Caring, Safe, Connected, Special, Conflict, Solve It Together, Solutions, Resolve, Witness, Bystander, Bullying, Gay, Tell, Consequences, Hurtful, Compliment.

Jigsaw knowledge and skills progression: Celebrating Difference Ages 3-11(12)

Jigsaw, the mindful approach to PSHE is a progressive and spiral scheme of learning. In planning the lessons, Jigsaw PSHE ensures that learning from previous years is revisited and extended, adding new concepts, knowledge and skills, year on year as appropriate. The table below draws out the **spiral** knowledge and skills progression within the planned Celebrating Difference Puzzle (unit of work) for this age group, includes some of the key vocabulary and contains suggestions for Family Learning.

Please ask your child's school for details of any adaptations they have made to the programme in line with their school policy as some of the content and vocabulary may have been changed, or be taught in a different year group. This may be especially true if this is their first year of using Jigsaw PSHE.

CD	Knowledge	Social and Emotional Skills	Questions for Family Learning
Ages 11-12	<ul style="list-style-type: none"> Know about the wide range of roles in society and the variety of individuals that operate within them Know what stereotyping means and its potential impact Know that positive and negative discrimination can take different forms and how it can affect people's lives Know how to challenge prejudice and discrimination assertively Know how to challenge my own and others' attitudes and values, and accept difference in others Recognise how others see me and be able to give and receive feedback Know when others are being excluded and how I might help to change the situation so they are included (if they want to be) Think 'outside the box' and able to look beyond obvious messages we see and hear 	<ul style="list-style-type: none"> Identify what is important for me and what I expect from myself Be assertive when appropriate Understand that I have choices in how I allow others to influence me Can take others' thoughts and feelings into account in how I manage my relationships Able to see the world from other people's points of view and take account of their intentions, preferences and beliefs Understand the impact bullying, prejudice and discrimination can have on those involved, and can use appropriate strategies to alleviate this and support those involved I am confident about where and how to get help if I am on the receiving end of bullying, prejudice or discrimination (local and national sources of help) I treat others as they wish to be treated 	<ul style="list-style-type: none"> Can you tell me what we mean by prejudice? Where might prejudiced beliefs and attitudes have come from? Who or what influences how people see others? What tools do you need to speak up for yourself? How might stereotypes have changed over the years? Why do they matter? How could you challenge stereotypes? Can you give me an example of discrimination that you know about? Why is it important to understand what is and isn't bullying? Do you think people who are bullies can change? What are your options if you were being bullied at school? At home? Online? Do you think people always realise when they are excluding others? How does it feel to be included in a group? Is it always possible to include everyone? Do you think everyone should always be treated in exactly the same way?
<p>In this Puzzle, pupils explore what is meant by discrimination, considering why it may happen and how it can affect themselves and others. The class consider how they would like to be treated by others and how it is important to take others' feelings and circumstances into account. Pupils practice assertiveness skills in given scenarios. They look at why positive and negative discrimination may take place, and the strategies they could use to challenge this and/or offer support to those involved. Pupils consider influences such as personal belief, stereotypes, the impact of the media, societal and cultural factors on prejudice and discrimination. They use these ideas to develop arguments and strategies to support their own viewpoints and develop a better understanding of how they may be able to recognise and challenge discrimination.</p>			
<p>New key vocabulary that may be introduced: Assertive, Passive, Aggressive, 'Win-win', Influence, Opinion, Belief, Attitude, Stereotypes, Human rights, Prejudice, Discrimination, Bullying.</p>
